

Lethbridge Primary School Newsletter

April 2022

Welcome to our latest newsletter

It really has been the most fantastic term in school. Despite some considerable staff absence due to Covid, we have been able to run a great deal of the special events that make Lethbridge a special place to be. Our Bollywood dance club have performed at the Wyvern Theatre as have our Key Stage Two choir. Our EYFS children have also performed in their music festival at The Platform. Our Year 5 children are continuing their guitar lessons and Year 2 their drumming lessons. We love supporting the arts and ensuring children have opportunities like this so it has also been a great pleasure to be part of the Window Wonderland community project. We hope you enjoyed our display around the theme of wellbeing.

Thank you to all parents who attended parents' evening appointments and it was fantastic to see so many of you at our Book Look events. I heard lots of proud parents talking to their children about how wonderful their work is.

Our children have also been able to take part in educational visits this term with Years 5 and 6 visiting the Mary Rose in Portsmouth and Year 1 and 2 visiting Cardiff Castle. The children were amazing and so happy to be out and about. I must share with you an email I received from Cardiff Castle following our visit as they were so complimentary about your children.

We still have the year 4 production of Porridge to look forward to this week and our amazing Lethbridge Easter Egg Hunt which is making a welcome return on Friday. See you there!

Kind Regards

Lisa Mayes

Dear Mrs Mayes,

I wanted to send a very quick note on behalf of everyone here at Cardiff Castle to thank the children and staff from Lethbridge Primary who came to visit us today.

We had a lovely time when the school visited us before the pandemic and today was equally as enjoyable.

Several of my colleagues came up to me, having taken the children on their guided tours of the Castle, to say how lovely they were, with one of my colleagues describing the group as "Little Diamonds". I had a chat to a couple of the guides, who said that the children had been polite, well-behaved and interested.

We have lots of great schools at the Castle, but it's unusual for as many staff to comment on the good behaviour of the children. When that happens, I feel it is important to pass on our congratulations to all involved.

Aside from the way that the children represented Lethbridge Primary School so brilliantly, the staff were so fantastic. We have rarely had such a well-prepared group of teachers and adults!

Please could you pass on our thanks to the staff, accompanying adults and to the pupils, who were a credit to the school, their teachers and their families.

We hope that they've had a good trip home.

Many thanks,

Elizabeth

In school this term

Mother's Day Wrap – Thank you FoL
